Vivarium Technicians:

1. Write and submit an Animal Room Observation of Non-Health Issues form if animals appear okay but there is an issue with the special request and/or it's execution.
2. If animals appear sick and/or are out of food/water, write and submit an Animal Welfare/Sick Report for DCM. Indicate on the form "no food/water present" and the last date PI signed the PI Husbandry log. Immediately submit form or call the Animal Resource office X5-2651.
