DCM 3 mg/ml BUP ER provided for administration by research technicians

This concentration of BUP ER is available for larger rats and any other large species which require buprenorphine ER. The cost is \$34.80/ml.

In addition to the per-dose charges provided above, a **dispensing fee of \$18.82** is applied to each order to cover labor and supplies. Please note orders of more than 4 doses will be dispensed in multi-dose vials.

Please submit requests for BUP ER doses **at least 2 business days in advance** using the [PI Request for Buprenorphine ER Doses](#) form.

Note: Zoopharm updated the labeling on the sustained release buprenorphine formulation to Buprenorphine ER (“BupER”). No changes were made to the drug formulation. This is the same medication that DCM previously dispensed as “BupSR”.
