

OPEN HOUSE FOR PROSPECTIVE GRADUATE STUDENTS

Saturday, November 1, 2014

Outline

- 8:30-8:45 Check-in
- 8:45-9:15 Why think about an advanced degree in Statistics/Biostatistics?
- 9:15-9:30 Questions
- 9:30-10:15 Alumni presentations
- How graduate study prepared them for their careers
- 10:15-10:30 Questions
- 10:30-10:45 Break (refreshments)
- 10:45-11:15 Importance of biostatistics through the eyes of biomedical research collaborators
- 11:15-11:30 Questions
- 11:30-12:00 Overview of the programs
- Background of the department
 - Ph.D. (traditional); M.D./Ph.D.
 - Ph.D. (bioinformatics and computational biology concentration)
 - M.A.
 - M.S.
- 12:00-12:15 Questions
- 12:15-1:30 Lunch with current graduate students
- 1:30-2:15 Examples of research of current Ph.D. students
- 2:15-2:45 Application process
- 2:45-3:00 Tour
