

Program Expansion

We are Super Excited to be bringing our Water Safety and Adaptive Swim program to the Southern Tier

Camp Puzzle Peace is teaming up with local Dansville parents and The Dansville Central School District to bring our swim program to support the needs of children with autism and related disabilities. We have been working with the amazing Jacqueline Marsh to bring this program to this under served area. Registration is now open! If you have questions please contact Jamie at jamie@campuzzlepeace.com. We have limited spaces available for this pilot program so please be sure to register soon.
