CHILDREN'S HOSPITAL

Toy Giving this Holiday Season

Thank you for considering donating gifts for the children who are in the hospital this holiday season. We have 3 ways that you can help support the children who are here in the hospital over the holidays and throughout the year.

1. Please consider making a financial contribution to the child life program. This allows us to select items that are most helpful for the children in the hospital who are here year-round. Golisano Children's Hospital – Child Life; 300 East River Road, P.O. Box 278996; Rochester, NY 14627
2. Please consider donating from a registry of items selected by the team that supports play and educational toys. www.myregistry.com (Search for the registry titled "GCH Child Life")
3. Use this list below to help guide you on items that we can accept for our holiday giving program. We are only able to accept items from this list. Items we receive that are not on this list will be shared with our community partners.

-We are only able to accept NEW items on this list.

-Please keep the size of the toy small so it can be played with in the patient's room.

-Due to the diversity of our patients, we request that holiday donations be non-denominational.

Infants/Toddlers	Preschool/School Age	Teens
<i>We can only accept gifts on this list – Thank you</i>
