redcapadmin@urmc.rochester.edu (REDCap Email)

NOTE: The meeting will focus on eConsent using REDCap and will be presented by Research and Academic IT.

In this time of COVID-19, researchers and coordinators need to maintain as much remote capability as possible. Many are in the process of transitioning studies to eConsent.

We will then open up the meeting to a general discussion for questions and to discuss experiences with the process of setting up and using eConsent.

Interpreters will be present.

Did You Know? Depending on a specific topic, SCORE meetings may qualify toward maintenance of certification. Attendees must report and retain documentation of event (Certificate of Attendance distributed by SCORE). For details, see websites [ACRP](#) and [SOCRA](#).
