COVID-19 Research Processes

For details about research processes in the COVID-19 era, visit the “Guidance for Human Subjects Research” webpage:

<https://www.urmc.rochester.edu/coronavirus/coronavirus-research/guidance-for-researchers/human-subjects-research.aspx>

Today's Resource Tip:

ResearchMatch.org is a University-sponsored, free recruitment tool that is available to all UR researchers.

It is simple to register, add an IRB-approved study, search the database to be matched to potential volunteers and send your study information.

For more support, contact

ResearchHelp@urmc.rochester.edu or visit the University of Rochester's [ResearchMatch website](#).

OHSP Quality Improvement: Study Start-Up Consultation Services

OHSP-QI staff is available to provide a consultation and guidance on best practices for meeting study team responsibilities related to the conduct of a specific study and to evaluate study documentation.

Contact [OHSP-QI](#) to schedule a study start-up consultation.

CTSI SCORE Chat

UR Coordinator Discussion Listserv

This online forum provides opportunities to chat with peer coordinators and to share resources and practices.
