

University of Rochester Externship information

Department of Oral and Maxillofacial Surgery

Thank you for your interest in an externship in the Oral and Maxillofacial Surgery Program at the University of Rochester.

Externships are offered typically for 1-2 weeks.

The oral and maxillofacial surgery service performs a full scope of surgical procedures including dentoalveolar surgery, implants, maxillofacial trauma, orthognathic surgery, TMJ procedures, maxillofacial pathology and reconstruction.

Eligibility:

- Qualified candidates must be enrolled or have a DDS or DMD from a U.S. accredited Dental School.
- Must be a U.S. citizen, or U.S. Permanent Resident to apply for a Residency, however Externships may be granted

Application:

- Current CV
- Letter of Intent
- Immunization records
- Proof of current Flu shot.
- 2x2 photo,
- Letter of recommendation
- Copy of liability insurance.
- Proposed dates.

Please forward to Residency Program Coordinator, Lisa Lord at lisa_lord@urmc.rochester.edu

Once received, the request will be forwarded to the Program Director for approval. You will be notified of the approval.
