Need Coordinator Support? Sponsor a Human Subject Coordinator Trainee

We are currently seeking sponsors for next year's program, beginning on January 1, 2025.

Email [JoAnne Van Buskirk](#) to learn more.

URMC Clinical Research Study Start-Up Manual Now Available

The purpose of the URMC Clinical Research Study Start-Up Manual is to review best practices concerning study start-up within the University of Rochester and is to be used as an overall guideline for individuals within study teams to use as applicable.

Studypages is Coming

- SCORE members will receive an email.
 - List of available times for attending a demo during the month of June
- UR CTSI will hold office hours starting in July.
- There will be a Studypages webpage and training material available in July.
- PIs and PI proxies will receive an email with details for accessing Studypages and reviewing study content.
- Public site will go live when we get enough studies entered.
- Old site addresses for studies will remain active for one year.
