# Need Study Coordinator Support? Sponsor a trainee!

The UR CTSI will have another training course for human subject research coordinator trainees starting January 2, 2024.

If your department needs coordinators this is a great way to hire an entry-level coordinator trainee who can be promoted overtime to more senior positions. Jobs will need to be posted by October 1, 2023.

Email [researchhelp@urmc.Rochester.edu](mailto:researchhelp@urmc.Rochester.edu) if you want to hire a trainee.

# **A Community Engaged Approach to Recruitment and Retention of Underrepresented Populations in Research**

# Questions to Begin Today's Meeting

- How things are working (or not)' now that people have settled into hybrid/remote/in-person work life.
- Now that this has “semi-normalized,” what kinds of work arounds and problems have come to be at the research sites.
- What has been the impact on recruitment and retention?
