

# Disability as Diversity: Reducing Researcher Roadblocks Survey (D2/R3)

**Karen Bonuck, PhD- D2/R3 PI**

**Patrick George III, MSSR- D2/R3 coordinator**

**Albert Einstein College of Medicine**

**D2/R3 aims to mitigate factors associated with under-  
representation of People With Disabilities, especially  
adults with developmental disabilities, in NIH research**

# Coordinator Recognition Awards Winner

## Mentorship Award:

## Valerie Chiodo

*“Valerie has served as an exceptional mentor. I am now a confident Senior Human Research Specialist and would not have been in this position or cultivated my love for research without her.”*

*“She is such a calm, mature, knowledgeable person. She is a natural teacher to the entire coordinating staff. I will never forget her mentorship - it has been so valuable into shaping me into the coordinator that I am.”*

# Coordinator Recognition Awards Winner Meliora Quality Award:

**Michelle Smith**

*“She is a great leader and sets a wonderful example for all in our department.”*

*“I don't worry about our clinical trials anymore. I know they are in good hands. And she is such a pleasant person to work with! Always friendly. Always smiling. Your day is just better when you cross paths with her.”*

*“Honestly would love to clone her but think unfortunately that is not possible.....”*

# Coordinator Recognition Awards Winner Teamwork Award:

## Elisabeth Hayward

*“For Elisabeth there is no such thing as not my job, only how can I best help?”*

*She communicates great with other team members, she's a reliable and hard worker, and she is always professional and respectful to others.*

*She has always been accommodating and helpful and consistently went above and beyond to make sure we had what we needed to successfully work with her study participants.*

# Coordinator Recognition Awards Winner Outstanding Patient/Research Participant Engagement:

## Soroush Mortaz-Hedjri

*“Soroush's commitment to accommodating patient, oncologist, and caregiver schedules and flexibility in meeting them on short notice helps to reduce patient stress during an already stressful time.”*

*“Soroush places the needs of patients above her own.”*

*“Soroush's humility, commitment to the team, and dedication to the participants are truly commendable.”*

# **Need Study Coordinator Support?**

**Email JoAnne Van Buskirk to learn more.**

**The UR CTSI is seeking applications from departments that would like to sponsor a human subject coordinator trainee for the January 2025 class.**

# Studypages is Coming

- SCORE members will receive regular communication from the UR CTSI as the project progresses.
- UR CTSI website has a Studypages webpage with more info
- PIs and PI proxies will receive an email
  - details for accessing Studypage
  - reviewing study content
  - giving team members access
- Anticipated go-live date is unknown.
- Old public site study webpage addresses will remain active until 6/30/2025.
- Studypages policy has yet to be approved.
