Comments: \_\_\_\_\_

NOTE: Shaded areas indicate that these assessments are either performed or not performed (i.e. exceeds levels are not relevant). Graduate students pass this rotation by meeting standards as described above. "N" Ratings require remediation with an action plan that is acceptable to the program director, course instructor and the student. "U" ratings may result in dismissal from the program should competencies not reach targeted standards as per the terms mutually agreed upon in the remediation plan.
