

Graduate Student Society

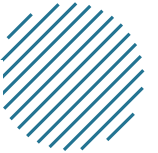

University of Rochester School of Medicine and Dentistry
Tuesday, August 20, 2024

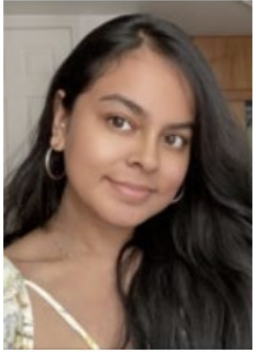

What is the Graduate Student Society (GSS)?

The Graduate Student Society represents all students enrolled in the University of Rochester School of Medicine and Dentistry graduate programs by:

1. monitoring issues of importance to the graduate student community
2. representing the concerns of graduate students to University administration
3. advocating for changes to enhance the quality of graduate education
4. serving as a liaison among the student populations of the graduate programs
5. sponsoring academic and social events of interest to the graduate student community
