Nurses' survey about infant feeding

1. **Reasons for breastfeeding:**

a) Listed below are some reasons that mothers have given for choosing to *breastfeed* their infants. Please indicate the extent to which these reasons are important among mothers in your hospital.

	Not Very Important	Somewhat Important	Very Important	Don't know/Not Sure
Social Acceptance	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Provides contraception	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Cost considerations/cheaper	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Protects against infection/ provides immunities	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Nutritional value	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Natural	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Best for baby	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Best for mother	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Closeness/bonding	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other:	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4

b) Please indicate the extent to which you believe these reasons for *breastfeeding* are important.

	Not Very Important	Somewhat Important	Very Important	Don't know/ Not Sure
Social Acceptance	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Provides contraception	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Cost considerations/cheaper	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Protects against infection/ provides immunities	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Nutritional value	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Natural	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Best for baby	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Best for mother	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Closeness/bonding	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other:	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4

2. **Reasons for NOT breastfeeding:**

a) Listed below are some reasons that mothers have given for choosing *NOT to breastfeed* their infants (i.e. to formula feed). Please indicate the extent to which these reasons are important among mothers in your hospital.

	Not Very Important	Somewhat Important	Very Important	Don't know/ Not Sure
Incompatible with birth control choice	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Incompatible with maternal medications	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Interferes with sexual relations	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Husband/Father cannot assist with feeding	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Not enough personal knowledge or outside encouragement/support	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Mother's poor health	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Working away from home/going to school	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Personally unappealing (embarrassed, self conscious, personal views against breastfeeding)	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Inconvenient/ not enough time/ too confining	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Too busy with other children	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Other:	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4

b) What do you personally believe are the actual reasons for mothers choosing *NOT to breastfeed* their infants?

	Not Very Important	Somewhat Important	Very Important	Don't know/ Not Sure
Incompatible with birth control choice	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Incompatible with maternal medications	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Interferes with sexual relations	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Husband/Father cannot assist with feeding	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Not enough personal knowledge or outside encouragement/support	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Mother's poor health	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Working away from home/going to school	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Personally unappealing (embarrassed, self conscious, personal views against breastfeeding)	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Inconvenient/ not enough time/ too confining	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Too busy with other children	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4
Other:	<input type="checkbox"/> _1	<input type="checkbox"/> _2	<input type="checkbox"/> _3	<input type="checkbox"/> _4

3. **Influences to breastfeed:** What do you personally believe are the influences on mothers in your hospital to *breastfeed* their infants?

	Not Very Important	Somewhat Important	Very Important	Don't know/ Not Sure
Family Physician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Pediatrician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Obstetrician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Midwife	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Lactation Consultant	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Hospital Nursing Staff	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Hospital Environment (family centered maternity care)	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Child Birth Educator	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
WIC Clinic Counselors	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
La Leche League	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Mother's Mother	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Husband or Partner	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other Relatives	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Friends/Neighbors	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Articles/Books on Breastfeeding	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
TV or Radio	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other:	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4

4. **Influences to formula feed:** What do you personally believe are the influences on mothers in your hospital to *formula feed* their infants?

	Not Very Important	Somewhat Important	Very Important	Don't know/ Not Sure
Family Physician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Pediatrician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Obstetrician	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Midwife	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Lactation Consultant	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Hospital Nursing Staff	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Hospital Environment (family centered maternity care)	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Child Birth Educator	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
WIC Clinic Counselors	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
La Leche League	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Mother's Mother	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Husband or Partner	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other Relatives	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Friends/Neighbors	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Articles/Books on Infant feeding	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Formula Advertisement on TV	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Coupons/Free Samples in Mail	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Formula Company Advertising, Prenatal Educational Materials, or Discharge Packs	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4
Other:	<input type="checkbox"/> 1	<input type="checkbox"/> 2	<input type="checkbox"/> 3	<input type="checkbox"/> 4

The following questions are about what happens on your unit or in your hospital:

5. **Does your unit have a formal written policy for supporting mothers who choose to breastfeed their newborns?**

- ₀ No **(If No, SKIP to question #6)**
₁ Yes

a) **Do you know where to find this policy?**

- ₀ No
₁ Yes

b) **Is the policy posted or displayed on your unit so mothers or family members can see it?**

- ₀ No
₁ Yes

c) **How many physicians on your unit follow this policy?**

- ₁ Almost all/Most
₂ Some
₃ Few

d) **How many nurses on your unit follow this policy?**

- ₁ Almost all/Most
₂ Some
₃ Few

e) **When did you learn about the hospital's breastfeeding policy?**

- ₁ Within the first 3 months of employment
₂ 4-12 months after employment
₃ Over 12 months after employment

6. **Do you have breastfeeding reference books readily available to maternal-child healthcare staff on the maternity floor?**

- ₀ No **(If No, SKIP to question #7)**
₁ Yes

a) **When is the last time you referred to one of these references?**

- ₁ In the past week
₂ In the past month
₃ In the past six months
₄ In the past 12 months
₅ More than 12 months ago
₆ Don't use

7. **Have you ever been asked for input into your hospital's breastfeeding policies?**

- ₀ No
₁ Yes

8. **What changes would you like to make in your hospital's breastfeeding program?**

9. **Have you ever participated in formal *in-service programs, workshops, or courses* breastfeeding?**

- ₀ No **(If No, SKIP to question #10)**
₁ Yes (held in the hospital)
₂ Yes (held outside of the hospital)
₃ Yes (NYS-DOH on-line course)

a) **If yes: How many of these programs/courses have you participated in during the past year?**

_____ programs

b) **How many hours total did you spend in these *programs/courses* on breastfeeding in the past year?**

- ₁ Up to 3 hours
₂ 3 – 8 hours
₃ 9 – 17 hours
₄ 18 hours or more

10. **When are mothers routinely asked about their infant feeding plans?**

(check all that apply)

- ₁ At time of admission
₂ Immediately following delivery
₃ On the post partum floor
₄ Other: _____

a) **Where is this information recorded?** **(Check all that apply)**

- ₁ Mother's record
₂ Baby's record
₃ Other place: _____

11. **How soon after birth is a well baby normally put to the breast for the first time?**

- ₁ Within the first hour of birth
₂ 1-2 hours after birth
₃ Over 2 hours after birth
₄ Other: _____

12. **Following a vaginal birth, how long is a baby's initial stay in the nursery?**

- ₁ Baby and mother are not separated
₂ Up to 2 hours
₃ 2 – 4 hours
₄ Over 4 hours

13. **Following an uncomplicated caesarean birth, when is the infant first put to the breast?**
- ₁ Less than 1 hour after recovery
₂ 1 – 2 hours after recovery
₃ 3 – 8 hours after recovery
₄ Over 8 hours
14. **Following an uncomplicated caesarean birth, how long is a baby's initial stay in the nursery?**
- ₁ Baby and mother are not separated
₂ Up to 2 hours
₃ 2 – 4 hours
₄ Over 4 hours
15. **Are mothers who initiate breastfeeding offered help by a staff member OTHER THAN the Lactation Coordinator?**
- ₁ Always/Most of the time (75-100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)
16. **In your hospital, *typical problems* with breastfeeding are usually handled by: (check only one)**
- ₁ Obstetrician
₂ Pediatrician
₃ Nurse
₄ Lactation Consultant
₅ Other: _____
17. **In your hospital, *complicated problems* with breastfeeding are usually handled by: (check only one)**
- ₁ Obstetrician
₂ Pediatrician
₃ Nurse
₄ Lactation Consultant
₅ Other: _____
18. **Does your hospital have someone on the staff trained in breastfeeding management who is responsible for one-to-one *counseling* of breastfeeding mothers?**
- ₀ No **(If No, SKIP to question #19)**
₁ Yes
- a. **Who receives this counseling? (Check all that apply)**
- ₁ All mothers
₂ Mothers who request counseling
₃ Primiparas
₄ Mothers referred by a physician
₅ Mothers who encountered problems previously
₆ Mothers referred by a nurse
₇ Mothers with current breastfeeding problems
₈ Other: _____

19. **Do breastfeeding mothers routinely receive instruction regarding breastfeeding techniques (comfortable positioning, holding baby, assessing the effectiveness of breastfeeding)?**
- ₁ Always/Most of the time (75% - 100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)
- a. **When does this happen? (Check all that apply)**
- ₁ With the first feeding
₂ At the mother's request
₃ Within the first 12 hours
₄ Over 12 hours after birth
20. **Are all breastfeeding mothers shown how to express their milk?**
- ₁ Always/Most of the time (75% - 100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)
- a. **Which methods are usually demonstrated? (Check all that apply)**
- ₁ Hand expression
₂ Hand pump
₃ Electric pump
21. **Do breastfeeding mothers receive printed and/or audio-visual breastfeeding information before discharge?**
- ₁ Always/Most of the time (75% - 100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)
22. **Is printed information on formula feeding and infant formulas distributed to breastfeeding mothers?**
- ₁ Always/Most of the time (75% - 100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)
23. **Do you use different discharge packs for breastfeeding and formula feeding mothers?**
- ₁ No, same for both **(If No, SKIP to question #24)**
₂ No discharge packs given
₃ Yes
- a. **If YES: Do the discharge packs for breastfeeding mothers include formula and/or coupons for formula?**
- ₀ No
₁ Yes
24. **Are breastfeeding mothers referred to breastfeeding support groups when they are discharged?**
- ₁ Always/Most of the time (75% - 100%)
₂ Sometimes
₃ Seldom/Not at all (25% or less)

25. Are breastfeeding mothers given follow-up support from hospital staff after they are discharged from the hospital? (home visits, telephone calls, postnatal clinic checkups)

- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)

26. Does the hospital provide postpartum breastfeeding classes and/or support groups for mothers following discharge?

- ₀ No **(If No, SKIP to question #27)**
- ₁ Yes

a. How is this support provided? **(Check all that apply)**

- ₁ Postpartum classes
- ₂ Support Group
- ₃ Home Visit
- ₄ Telephone Consultation
- ₅ In-Office Consultation
- ₆ Breastfeeding Center (books, supplies, breast pumps)

b. Are key family members/support people invited to attend breastfeeding classes?

- ₀ No
- ₁ Yes

27. Does your unit utilize trained breastfeeding peer counselors (i.e. WIC) in any of its maternity services (clinic, postpartum floor visits)?

- ₀ No
- ₁ Yes

28. Does La Leche League, other breastfeeding organizations, or in-hospital staff, conduct a breastfeeding support group on the hospital premises?

- ₀ No
- ₁ Yes Who provides it? _____

29. What are healthy breastfed babies given as a “first feeding”?

		Always/Most of the time (75-100%)	Sometimes	Seldom/Not at all (25% or less)
a.	Breast milk	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
b.	Water	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
c.	Glucose	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
d.	Formula	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃

30. Are “test feedings” of sterile water and/or glucose water routinely given to breastfed babies?

- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)

31. Are healthy breastfed babies given any supplements between breast feedings?

- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)

a. What is used? **(Check all possibilities)**

- ₁ Water
- ₂ Glucose
- ₃ Formula
- ₄ Other: _____

32. Are small (<6lbs) and large (>8lbs) babies, with stable blood sugar, given supplemental feedings?

- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)

33. Are healthy breastfed babies given complementary feedings along with breastfeeding?

- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)

a. What is used? **(Check all possibilities)**

- ₁ Water
- ₂ Glucose
- ₃ Formula
- ₄ Other: _____

34. What percentage of breastfeeding mothers remain with their babies 23 hours/day (i.e. except for rare occasions, babies stay with their mothers)?

- ₁ All/Most (75% - 100%)
- ₂ About half
- ₃ Few/Not at all (25% or less)

35. Are babies taken from the mother's room for:

		Yes	Sometimes	No
a.	Routine pediatric exam	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
b.	Change of shift	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
c.	Visiting hours	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
d.	Lab tests	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
e.	Infant photos	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃
f.	Photo therapy	<input type="checkbox"/> ₁	<input type="checkbox"/> ₂	<input type="checkbox"/> ₃

36. How many hours per day do mothers and infants normally spend together?

- ₁ 8 hours or less
- ₂ 9 – 16 hours
- ₃ 17 – 22 hours
- ₄ 23 – 24 hours

37. **Are breastfed babies fed according to a fixed schedule?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
38. **Are mothers encouraged to breastfeed their babies on cue?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
39. **Are breastfeeding mothers encouraged to room-in 24 hours with their babies?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
40. **For babies that are not rooming-in, are breastfed babies brought to their mothers at night for feedings?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
41. **Do you limit the length of suckling at each feeding for breastfed babies?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
42. **Are breastfed babies given pacifiers between feedings?**
- ₁ Always/Most of the time (75% - 100%)
- ₂ Sometimes
- ₃ Seldom/Not at all (25% or less)
43. **How are babies' temperatures *usually* stabilized, if needed?**
- ₁ Skin-to-skin
- ₂ Radiant warmer
- ₃ Both
- ₄ Other: _____
44. **When a baby is placed under bilirubin lights to treat jaundice, where does the treatment *usually* take place?**
- ₁ In the mother's room
- ₂ In the Nursery
- ₃ Both
- ₄ Other: _____

A few questions about you: (Please check or write in the answer that best describes you)

45. Which category best describes your age?

- ₁ 20 - 29
- ₂ 30 - 39
- ₃ 40 - 49
- ₄ 50 - 59
- ₅ Over age 60

46. I am a (an):

- ₁ RN
- ₂ LPN
- ₃ Technician
- ₄ Lactation Consultant
- ₅ Other: _____

47. I have a (an): (Check all that apply)

- ₁ AAS or diploma in Nursing
- ₂ BS in Nursing
- ₃ Other BS or BA
- ₄ MS/MA
- ₅ Other: _____

48. In what area do you usually work?

- ₁ Labor and Delivery
- ₂ Postpartum
- ₃ Nursery (term or special care)
- ₄ Nursing Education
- ₅ Nursing Administration
- ₆ Other: _____

49. If you are a nurse, how long have you been a nurse?

- ₁ <1 year
- ₂ 1 – 4 years
- ₃ 5 – 9 years
- ₄ 10 – 14 years
- ₅ 15 – 19 years
- ₆ 20 or more years

50. How long have you worked in maternal child health?

- ₁ <1 year
- ₂ 1 – 4 years
- ₃ 5 – 9 years
- ₄ 10 – 14 years
- ₅ 15 – 19 years
- ₆ 20 or more years

51. **How long have you worked in this hospital in maternal child health?**

- ₁ <1 year
- ₂ 1 – 4 years
- ₃ 5 – 9 years
- ₄ 10 – 14 years
- ₅ 15 – 19 years
- ₆ 20 or more years

52. **I work:**

- ₁ Full-time (35 or more hours/week)
- ₂ Part-time (17- 34 hours/week)
- ₃ Per Diem (<17 hours/week)

53. **Comments**

THANK YOU FOR YOUR TIME!!!

**Please return in pre-paid envelope or send to
University of Rochester-DCPM
Box 278969, Rochester, NY 14627**
