

**Christopher Lake, Ph.D.**  
Executive Director, Community Resilience  
Nevada Hospital Association

Christopher Lake has been involved in healthcare and emergency management for more than 30 years. He holds certificates and degrees in prehospital care, risk management, healthcare administration and public administration. Christopher has a broad range of experience in emergency response, public health and humanitarian aid. Christopher is the Executive Director of Community Resilience with the Nevada Hospital Association (NHA) and serves as the chairperson of the Nevada Healthcare Preparedness Partners Coalition and Vice Chair of the American Hospital Association's Emergency Readiness Group. Christopher serves as a committee member on the Healthcare and Public Health Sector Coordinating Council workgroup for healthcare active shooter planning and response. During the Las Vegas shooting event, Christopher directed the NHA's response and continues to coordinate the recovery efforts with hospitals, governmental entities and other partners.
