

## **BDLS/ADLS Instructor Candidate Application**

**The National Disaster Life Support (NDLSF) Comprehensive Training Center at the University of Rochester Medical Center and the future NDLSF Regional Training Center at SUNY Upstate (application pending) are teaming up to provide a Basic and Advanced Disaster Life Support Instructor Course to increase our instructor cadre for NDLSF courses. As such, we are looking for experienced instructor candidates in the Western, Central and Capital District Region to participate in this FREE training opportunity.**

### **BDLS/ADLS INSTRUCTOR CANDIDATE REQUIREMENTS**

- **Attended BDLS in the past 3 years OR will attend upcoming Virtual BDLS (tentatively scheduled for March 7-8, 2023 @ 8:30am-12:30pm)**
- **Attended 2 day ADLS in the past 3 years OR will attend upcoming 2 day ADLS scheduled late April/early May 2023 (in Rochester or Syracuse)**
- **Attend 1/2 day Virtual Instructor Course (mid May 2023)**

### **BDLS/ADLS INSTRUCTOR EXPECTATIONS**

**The NDLSF Instructor Course qualifies you to teach Core (CDLS), Basic (BDLS) and Advanced Disaster Life Support (ADLS) for a certified NDLSF regional or comprehensive training center. It is the expectation that all new instructors will teach a lecture and/or skill station at a URM or UPSTATE sponsored BDLS/ADLS course within 2 years of receiving Instructor Certification. SUNY Upstate plans to provide your first opportunity to complete this requirement in June 2023. Once completed, you may be eligible to receive a speaker payment while instructing for URM or Upstate given the following conditions are met:**

- 1. You have been SUCCESSFULLY monitored by the NDLSF Training Center Program Director or a Lead Instructor in at least one lecture (BDLS) and/or one lecture or skill station (ADLS)**
- 2. You are not utilizing paid work time to instruct at a course. A speaker payment attestation signed by the Instructor and a supervisor will be required.**

**If you are interested in teaching with us, please complete this Instructor Candidate Application and upload your CV/Resume by November 30, 2022. We will review applications in early December and notify selected instructor candidates of next steps.**

\* 1. Select your **primary** NDLSF Training Center. This can be based on proximity to and/or professional relationship with the organization. You will be able to instruct for both training centers.

- University of Rochester Medical Center - Finger Lakes/Western Regional Health Emergency Preparedness Training Center
- SUNY Upstate Medical Center - Central New York Regional Health Emergency Preparedness Training Center
