

**CAPITAL DISTRICT REGIONAL HEALTH EMERGENCY  
PREPAREDNESS COALITION**

**Pediatric Emergency Preparedness  
Training Seminar**

**Description:**

The one day emergency preparedness training seminar will provide a broad overview of potential care needs for the pediatric patient involved in an emergency/disaster situation.

The training seminar will include information for medical, trauma, and crisis response specific to the most vulnerable population in any emergency—children.

**Who should attend?**

The training seminar is targeted to a broad cross section of Hospital and Diagnostic and Treatment Center professionals (Nurses, Providers, Respiratory Therapists, EMTs, etc.) that may be involved in any emergency situation requiring emergency response, medical care, and short or long-term clinical support of children. Topics of interest to public health and other emergency responders also.

**Date:** **Tuesday, May 19, 2015**

**Time:** **9 am to 4 pm** (doors open at 8:30 am)

**Topics to be discussed:**

- ◇ Pediatric Disaster Mental Health
- ◇ Pediatric Triage
- ◇ Pediatric Decontamination
- ◇ Respiratory & Critical Care of the pediatric patient
- ◇ Emerging Infectious Diseases and Children
- ◇ Pediatric Trauma and Burns
