

Good News

from the University of Rochester Medical Center

News for friends of the Medical Center.

Golisano Pediatric Behavioral Health and Wellness building opens

"This new facility will help us implement a comprehensive strategy that focuses on early recognition and treatment, as well as community partnerships, to reduce the number of children at risk, and give families new reason to hope," says Michael Scharf, MD, chief of the Division of Child and Adolescent Psychiatry.

URMC to launch new COVID-19 vaccine trial

In June, URMC began trials of a new coronavirus vaccine, and is set to launch a second vaccine trial in August. Faculty members Angela Branche, MD, and Ann Falsey, MD, recently discussed these and other studies, including efforts to recruit vaccine trial volunteers, on *Connections*, an NPR program.
