Flying together: New mural at Strong Memorial Hospital honors teamwork and perseverance

The Infection Prevention team at Strong Memorial Hospital was center stage during the pandemic and was ultimately recognized with the University of Rochester's Meliora Award. The team unanimously decided to use the award funds to commission a public art piece by Rochester-based artist, Christine Knoblauch. Now installed, the new mural honors the teamwork and sacrifice of health care workers.

The University of Rochester School of Nursing will always be a place Jane Tuttle calls home

"What is unique about Rochester is the mentoring, the reputation, the way we work in an interdisciplinary way across the University and Medical Center. That's not true everywhere." – Jane Tuttle, PhD, '79N, '84N (MS)
