

Program for Advanced Immune Bioimaging presents:

# 5th Annual Immune Imaging Symposium

November 2, 2019 University of Rochester, NY

**Klaus Ley** La Jolla Institute  
SuperSTORM to reveal molecular  
patterns of activated integrins

**Anna Huttenlocher** U. Wisconsin  
Imaging inflammation and its  
resolution

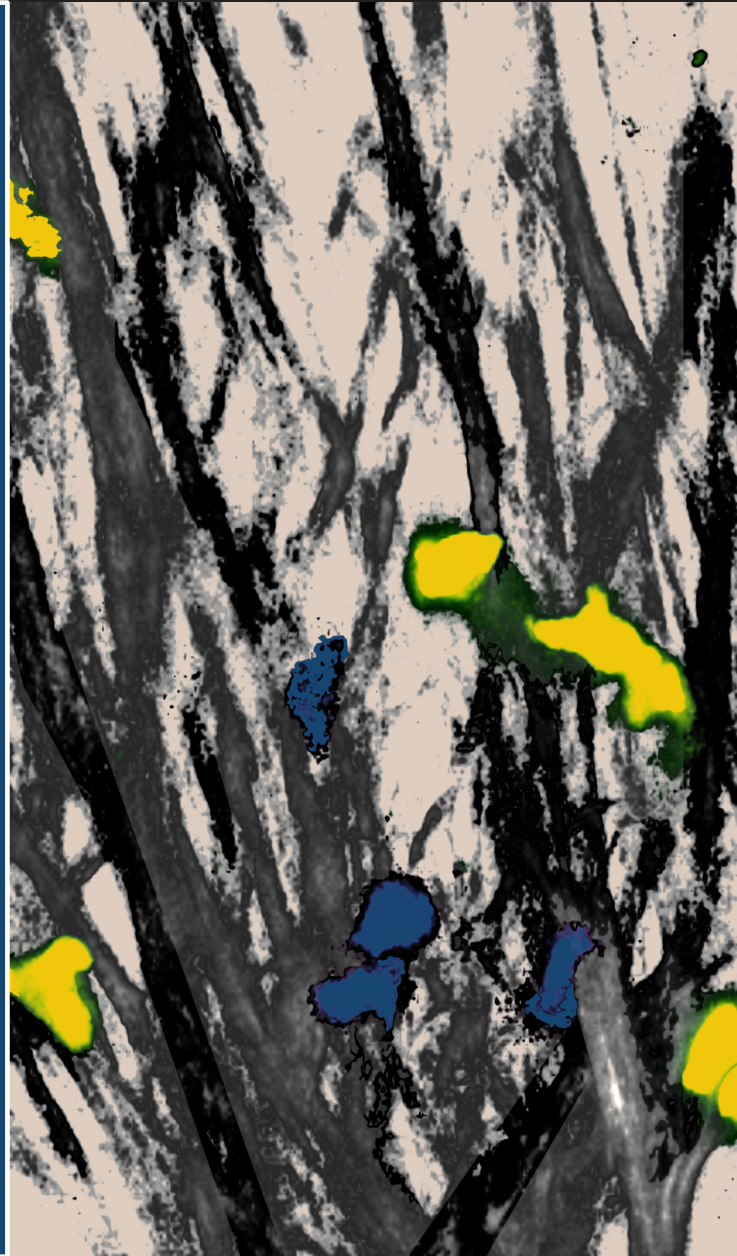

**Michael Gerner** U. Washington  
Organization of innate-adaptive cell  
crosstalk in lymphoid tissues

**Xiaolei Su** Yale  
Dynamics of CAR T cell signaling

**Daniel Hammer** U. Penn  
Force spectroscopy and upstream  
migration

**Maiken Nedergaard** U. Rochester  
Glymphatic/lymphatic connections

**Short Talks** Students & Postdocs

**ABSTRACT DEADLINE: October 18<sup>th</sup>, 2019**

**REGISTRATION FREE**

but pre-registration required at:  
[immuneimagingsymposium.urmc.edu](http://immuneimagingsymposium.urmc.edu)

**Saunders Research Building**

**8:30 am – 5:30 pm**

**Lunch and refreshments**
