How to Access Today's Presentations

- Speaker approved presentations will be available for download on or after May 9, 2019 and up to 30 days post-conference on the Finger Lakes Regional Training Center's website: <http://www.traumareach.urmc.edu> The password to access the presentations is treach (all lower case).

How to Access and Claim CME Credit & Certificates (if you requested at time of registration)

Please clear your browser's history before completing the course evaluation.

Information on how to clear your history on various browsers can be found:

<http://www.wikihow.com/Clear-Your-Browser's-Cache>

- Please go to cel.urmc.edu
- Select the "UR CEL" Educational Management Portal button at the top right.
- Select "My Certificate" from the blue toolbar
- From the course listing, please find the course you attended.
- Press the "Certificate" button for that course.
- If you are an existing user of UR CEL, enter your email address and password.

IF you are a NEW user:

Enter the email address used when you registered for conference and select "I am a new user"

A temporary password will be emailed to you

Click "Continue" which brings you back to the log on screen

Change selection from "I am a new user" to "I already have password" and enter the password you received in the box provided

- Select "Sign In" - this will bring you to the "Course Evaluation"
- Complete the attestation question and click "Submit Your Responses" and "Continue"
- You will next be at the Claim Credit page, select the type and number of credits you wish to claim for your attendance at that course and "Continue"
- Click "Display Certificate" (you must allow pop-ups for this website):
- You can now print, save or email your certificate

For questions or assistance please contact the Center for Experiential Learning at 585-275-7666.
