

**Directions to Miner Library from the Hospital Parking Garage**

Cross the foot bridge (Sokol Bridge) on level one, and turn right, toward "Lobby and Information." Walk through the Main Lobby, past the Information Desk and Finger Lakes Coffee Roasters, on your right. Pass under the overhead sign, toward "School of Medicine and Dentistry." Follow the yellow ceiling tags until you get to the end of the carpeted hallway (at the intersection of two corridors). Turn left. Just a short distance further there will be an overhead "Library" sign. When you reach the sign, turn right to enter the Library Atrium. Halfway down the Atrium, the entrance to Miner Library will be on the left.
