

URMC at Endo 2022

June 11

[Tania Arous, M.D.](#) – Endocrinology Fellow

Poster: “Liver Failure and Thyrotoxicosis Triggered by Wilson’s Disease”

[Olga Astapova, M.D., Ph.D.](#) – Faculty, and [Adelaide Weidner](#) – Toxicology Ph.D. Grad Student

Talk: “Paxillin and androgen receptor interact to modulate female fertility”

[Tony Matthews, M.D., M.P.H.](#) – Endocrinology Fellow

E-Poster: “Utilizing EMR Optimization to Streamline Inpatient Blood Glucose Management and Improve Clinician Efficiency”

[Dennis Samuel, M.D.](#) – Endocrinology Fellow

Poster & Presentation: “Utilizing EMR Optimization to Streamline Inpatient Blood Glucose Management and Improve Clinician Efficiency”

[Lindsay Carafone, M.D.](#) – Endocrinology Fellow

E-Poster: “From Positive to Negative, a Histidine to Aspartic Acid Change in SDHB is Breaking Bad in Cardiac Paraganglioma”

[Briaunna Minor](#) – Immunology, Microbiology, and Virology Ph.D. Grad Student

Poster: “Estradiol Effects on Polymorphonuclear Cell Production and Actions Contribute to Estrogen-mediated Lymphangiomyomatosis (LAM) Progression”

[Ismat Shafiq, M.B.B.S.](#) – Faculty

Meet the Professor: Perioperative Management of Pituitary Adenoma

June 12

[Benjamin Gigliotti, M.D.](#) – Faculty

Moderator: “Long term consequences of hyperthyroidism and it’s treatment”

[Susanne Miedlich, M.D.](#) – Faculty

Rapid Fire Presentation: “Poor Diet Habits, Depression and Low Physical Activity Correlate with Cardiometabolic Risk Markers in Persons with Severe Mental Illness on Second-Generation Antipsychotic Medications”

[Erin Gibbons](#) – Immunology, Microbiology, and Virology Ph.D. Grad Student
Rapid Fire Presentation: “Glycoprotein-NMB (GPNMB) is Pro-Tumorigenic in Lymphangiomyomatosis (LAM)”

[Briaunna Minor](#) – Immunology, Microbiology, and Virology Ph.D. Grad Student
Poster: “Estradiol Effects on Polymorphonuclear Cell Production and Actions Contribute to Estrogen-mediated Lymphangiomyomatosis (LAM) Progression”

[Inga Harbuz-Miller, M.D.](#) – Faculty, and [Yumiko Esaki, M.D.](#) – Incoming Endocrinology Fellow
Poster: “What Blindness and Paraganglioma have in common? A rare case of paraganglioma syndrome.”

[Stephen Hammes, M.D., Ph.D.](#) – Division Chief of Endocrinology, Diabetes & Metabolism
Professional Development Workshop: Publishing Skill Lab

June 14

[Benjamin Gigliotti, M.D.](#) – Faculty
Lecture: “Updates in Differentiated Thyroid Cancer”
