Noyes Health Medical Alert and Medication Dispensing Services

Formally known as the E.A.R.S. Lifeline Program, the Noyes Health Medical Alert Program is a service that supports older adults and those with chronic conditions living at home. We help whenever the unexpected happens... a fall, medical problem, mobility issue, or security concern. We're the same team you've always known and trusted as your local medical alert provider, only now with a fresh name and new, cutting-edge equipment!

Medical Alert Service Options

- **Classic Guardian Landline: \$33/month**
 - Requires a landline
 - 1,300 button-to-base station range
 - Waterproof personal help button that can be worn as a wristband or necklace
 - Fall Detection available

- **Essence Home Guardian Wireless 4G: \$43/month**
 - Landline not required
 - 1,300 button-to-base station range
 - Waterproof personal help button that can be worn as a wristband or necklace
 - Fall Detection capability

- **Fall Detection Help Button Option: additional \$12/month**
 - Will call out for help automatically if help button detects a fall and you do not get up on your own. It is waterproof and works in the home and outside in the yard

- One-time lockbox fee: **\$25**
- Voice-activated wall mount button: **additional \$10/month**
- Additional subscriber fee: **starting at \$10/month**

Sliding scale for monthly fee is available for all subscribers who meet income eligibility guidelines.

Top 10 Reasons to Choose Noyes Health Medical Alert: Your LOCAL medical alert service provider!

1. Longstanding Local Program – 39 years serving our local community!
2. Service area: 50-mile radius – we currently have subscribers in 7 counties!
3. Provide home visits for all installations and no-cost service calls.
4. Ongoing value-added services for all subscribers: quarterly newsletters, birthday cards, and holiday cards.
5. Close partnerships with local area agencies to connect subscribers who have additional needs, i.e. *Home Delivered Meals, Fall Prevention (classes, Home Safe Home, annual workshop), and county agencies (Office for Aging, Social Services, and Department of Health)*.
6. NO long-term contracts.
7. Third Party Notification Option – a one-page fax will keep your doctor informed if you take a fall or have an incident.
8. Equipment manufactured and monitored by Noyes Health Medical Alert – the leader in the medical alert industry.
9. Noyes Health Medical Alert: contracts with Fidelis, Nascentia, iCircle and Livingston County Medicaid.
10. Medication Dispensers: contracts with Fidelis, Nascentia, and iCircle.
