

UR | **NOYES**
MEDICINE | HEALTH

BECAUSE OF YOUR SUPPORT..

Each of these, and many more, represents one of your friends, neighbors, or family member who was able to receive healthcare locally in last year alone. It couldn't have been done without help.

48,572

Imaging studies were provided to the community.

9,847

Nights in the hospital were made more comfortable.

15,256

Emergency room visits without a long drive.

20,519

Times friends and family got help improving their mental health.

4,553

Surgeries performed close to home.

Noyes Health is an organization described in Internal Revenue Code 501(c)(3). A copy of its most recent annual report is available upon request by contacting 111 Clara Barton St., Dansville, NY 14437, on the New York State Attorney General Charities Bureau charities registry website at <https://charitiesnys.com>, or at Charities Bureau, 28 Liberty St., 15th floor, New York, NY, 10005. Information about charitable organizations may be obtained from the Charities Bureau <https://charitiesnys.com> or by phone at (212) 416-8401. If you have questions about giving or would like additional information, please call 585-335-4323 or send an email to Lynn_White@urmc.rochester.edu. If you no longer wish to receive fundraising requests from The Foundation for Noyes Health, call 1.800.598.1330.

CELEBRATING *fifty* YEARS

May saw the 50th anniversary of the opening of Nicholas H. Noyes Memorial at its current location in Dansville. Over the past 5 decades, Noyes has provided quality, community-focused healthcare to our friends, family and neighbors, all close to home.

In the last decade alone, updates to UR Medicine Noyes Health have included:

- The addition of the Ann and Carl Myers Cancer Center
- Completion of the Mary Saunders Beiermann Emergency Department
- Renovations to Michael E. Saunders Medical Imaging
- Complete renovation of the Jon Shay Medical/Surgical Unit
- Opening of the Avon Mental Health and Wellness building

Through the end of 2023, Noyes will continue to add services and begin construction on the new CT Suite. The current Computerized Tomography scanner is outdated and long-overdue to be replaced. CT scans are used to help diagnose tumors, identify bleeding and blood clots, evaluate severity of injuries along with many other uses.

The CT Suite will be funded by the Foundation for Noyes Health, thanks to generous donors like you.

Noyes has big plans to continue to add even more services, but the facility has outgrown available space. In order to bring more specialties to Livingston County, Noyes is exploring options including adding on to the footprint of the current hospital and acquiring additional off-site locations.

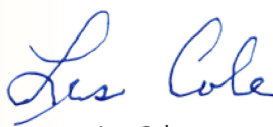

To make this possible, we need your help. The Foundation for Noyes Health relies on the generosity of our community members. So we write to you today looking for your support.

To celebrate 50 years, we challenge community members to donate at least \$50 to help Noyes further its mission to provide you with the best quality healthcare, right in Livingston County.

Yours in health,

Chad Teeters,
President & CEO, Noyes Health

Les Cole,
Chairman, Foundation for Noyes Health
