## December 2015

**SAVE THE DATE: MARCH 9**

Our 16th Annual Anne E. Dyson Memorial Grand Rounds will be held on Wednesday, March 9, 2016 from 8am-9am in the Class of '62 Auditorium at the University of Rochester Medical Center. This year's topic will be: "Solutions Summit-Making Progress against Poverty, School Failure, and Childhood Disease by Investing in Effective Teen Pregnancy Prevention", and will feature a panel of community leaders. Following the summit, residents from the Community Health and Advocacy Resident Education (CARE) Track will present their community projects in a poster session in the Flaum Atrium. The event is free. Check our website for more information as we get closer to the date.

### LARC- A Community-Level Initiative

This year's Dyson Day topic is related to work that began as a CARE resident project and has grown into a community-level initiative, funded by the Greater Rochester Health Foundation. In 2015 the Greater Rochester LARC Initiative presented to over 400 individuals throughout the community. The LARC Initiative provides education on the safety, effectiveness, and availability of long-acting reversible contraception. Presentations are for adults who work with youth in community and health care settings. You can learn more on our website, [LARC.urmc.edu](http://LARC.urmc.edu). If your medical practice or community organization would like a visit from the LARC Initiative, contact project coordinator Sara Jenks at [sara\\_jenks@urmc.rochester.edu](mailto:sara_jenks@urmc.rochester.edu). We have gained a reputation for the delicious food we bring!

James H. Norman, ABC President & CEO  
Brad Rye, ABC Board Chair  
Dr. Marc Lavender, PLC Rotation Director

### Pediatric Links with the Community Receives an Award

Action for a Better Community (ABC) honored PLC and the Hoekelman Center with the Elliott Landsman Head Start Community Volunteer Award on October 15, 2015. We are very grateful for this recognition and for the opportunity to work with wonderful organizations like ABC.
