Inpatient Psychiatry and Medicine Services within Psychiatry

INPATIENT RESEARCH CHECKLIST

The following steps are necessary prior to launching a research project with patients or staff on the Inpatient Psychiatry and Medicine Services within Psychiatry at URMC:

- ☐ **Submit IP Research Form for Review by the Inpatient Psychiatry Research Committee**

- ☐ **Get approval from the designated IP Clinical Leadership and the Clinical Nursing Research Center (if applicable)**

- ☐ **Complete E-record/Epic Training and acquire Epic access (if applicable)**

- ☐ **Obtain keys/swipe access for the appropriate unit(s)**

- ☐ **Complete tours of the appropriate unit(s)**

- ☐ **Meet with unit providers and Nurse Managers to discuss study logistics**

- ☐ **Provide unit staff and providers with introduction to research project, including summary materials when possible**
