➤ **Cutaneous Direct Immunofluorescence (DIF) Now Performed in-house @ UR Medicine Labs**

For your dermatologic cases, UR Medicine Labs is pleased to announce the initiation of cutaneous direct immunofluorescence service. Dr. Bruce Smoller, the Chair of the Department of Pathology & Laboratory Medicine and a board certified dermatopathologist has more than 25 years of experience in interpreting these specimens. We are committed to providing the highest quality and timely service for our clinical colleagues and their patients.
