

## Molecular Test Reporting Changes

Date: December 6<sup>th</sup>, 2023

---

Effective Date: December 11<sup>th</sup>, 2023

- All Next Gen Sequencing and BRAF result interpretive summaries will be included in the Pathology reports.
- The full report is available in eRecord
  - Results will be located in the Molecular Oncology section of eRecord
  - The full report can be accessed by clicking the “scans on order” link.
  - Ability to see the orders pending from the time of specimen receipt in the lab
- If you do not receive results via eRecord, a hard copy will be delivered to your office.
