

October, 2015

➤ **New FIT Kits: 1 collection for patients, greater sensitivity**

- Pinnacle Fecal Immunochemical Test (FIT)
- 1 easy collection, simple instructions included with mailing kit
- Please remind patients to write their name & d.o.b. on container, labeled space provided
- For more detailed information, please go to:
https://www.urmc.rochester.edu/MediaLibraries/URMCMedia/urmc-labs/clinical/about-us/documents/New_FIT_test.pdf

➤ **New NAAT Mycoplasma Test @ UR Medicine Labs**

- We now offer *Illumigene*[®] *Mycoplasma* assay
- FDA-cleared nucleic acid amplification tests (NAAT) for diagnosis of infection caused by *M. pneumoniae* have become commercially available
- NAAT results can facilitate clinical decision making due to their high sensitivity and specificity and availability within hours of specimen collection
- For more detailed information, please go to:
https://www.urmc.rochester.edu/MediaLibraries/URMCMedia/urmc-labs/clinical/about-us/documents/Mpn_by_NAAT.pdf

➤ **Thank You FRIENDS of STRONG**

- We are very grateful to the Friends of Strong for their continued generosity, and to all who have contributed to and support Friends of Strong events
- Friends of Strong efforts enable the UR Department of Pathology & Lab Medicine to purchase state-of-the-art instrumentation
