

## Send Out Notification: T-cell & B-cell Subset Testing

Date: October 8<sup>th</sup>, 2024

---

The Flow Cytometry laboratory has been temporarily impacted in our ability to perform onsite testing for T&B cell subsets and select testing will be sent out to appropriate Reference Laboratories beginning 10/4/2024. This change is temporary and we expect to be fully operational with onsite testing by 10/11/2024.

Tests impacted include:      **LMH3- Lymphocyte Subsets (T&B cells)**  
   **LM48G- Lymphocyte Subset (T-cell Only)**

This temporary measure does not affect test ordering or sample requirements indicated in the test menu.
