

September 2011 Lab Services Outreach “News You Can Use” Bulletin

➤ Labor Day Holiday Phlebotomy Service CHANGE

- We will provide 8 hours of **on-call stat** phlebotomy service 7:30am-3:30pm on Monday, September 5th
- These services are for **EMERGENT** use only
- Ordering providers need to call URMCC Client Services: 350-2600 for arrangements
- Patients will be scheduled for appointments within 1 hour of calls, and services will be provided at the patient service center @ 2400 S. Clinton Ave, bldg.H, suite 140
- All patient service centers will be closed on Monday, September 5th

➤ Fecal Occult Blood testing without dietary restrictions!

- URMCC Labs has converted to the Beckman Coulter Hemocult ICT fecal immunochemical test (FIT) for outpatient stool occult blood
- FIT provides improved sensitivity and specificity
- FIT requires no drug or dietary restrictions
- If you are interested in using this test for your patients, please contact our Client Services Department at 350-2600, Option 3 and ask to have an Account Manager contact you.

➤ CIS system for accessing lab results on-line will be phased out this fall, and replaced with ePartner and eRecord. Please see below for information on how to enroll in the new ePartner system as soon as possible.

➤ eRecord & ePartner are Here [eRecord For Community Providers](#)

- [eRecord](#) is the name of the integrated electronic health record (EHR) being introduced at Strong Memorial and Highland Hospitals in 2011. The new system will serve both hospitals' inpatient areas, emergency departments, and outpatient areas.
- [ePartner](#) provides full access to the patient chart (i.e., lab results, discharge notes, images), but you will not be able to contribute to the chart in any way.
- eRecord & ePartner will be replacing CIS.
- For information on levels of access, training, and eRecord click this link: [About eRecord](#)
