

## CLOtest Rapid Urease Test: Discontinued

Date: February 11<sup>th</sup>, 2025

---

Effective Date: February 11<sup>th</sup>, 2025

The “CLOtest® Rapid Urease Test” which we currently use for the detection of preformed Urease produced by *Helicobacter pylori* in gastric biopsy tissue has been discontinued by the manufacturer.

We are in the process of identifying an alternate test kit to replace the CLOtest®. We will keep you updated.
