## Streptolysin O Antibody (ASO): Return to In-House Testing

Date: November 16<sup>th</sup>, 2021

---

Effective Date: November 11<sup>th</sup>, 2021

The testing kit shortage has been corrected. Serological testing for Streptolysin O antibodies will return to being tested internally at the Central Laboratory immediately.

Test Code: ASOS

Resulting: Semi-Quantitative

Reference Interval: >200 IU/mL

Turn-around time: 1-2 days (performed Sun-Sat)

Methodology: Latex Agglutination

Specimen: 1 mL serum (0.3 mL minimum)

Please contact Lindsay Ryan (Serology Supervisor), with any questions.
