PLC Announcement

We are pleased to announce the release of our 2006-2008 Resident Reflection book. At the end of each PLC rotation, the interns are asked to write a “reflection” about their 2-week experience in the community. This is always a very moving and informative read. We hope that you will truly value and enjoy the pages of reflections, pictures and stories that our interns have shared. Our booklet can be viewed and/or printed from our web-site:
